### CONTACT/RSVP

Venango  
Conservation District:  
814-676-2832

Come learn how proper pasture management is beneficial for meeting your horse's unique nutritional needs.

Improve your grass stands, protect water quality with proper manure management, and keep muddy fields to a minimum.

Learn from Penn State Extension and the USDA-NRCS about improving your farm and conserving natural resources.

8:30am - 9:00am Registration/Breakfast

9:00am - 10:00am Welcome
