

STREAM CROSSING REPLACEMENT WORKSHOP

Join the Venango Conservation District, Center for Dirt & Gravel Road Studies and Trout Unlimited for an introduction to road/stream crossing (culvert) replacements through the Dirt, Gravel and Low-Volume Road (DGLVR) Program.

Date: Wednesday - July 8, 2020

Time: 9:00 am – 2:00 pm

Location: Two Mile Run County Park (41.475216°; -79.768276°) – Frey Family Patio
471 Beach Road Franklin, PA 16323

Description: This workshop provides an introductory overview of the DGLVR stream crossing program from start to finish. The presentation will cover site eligibility, Program policy requirements, application process, engineering, planning and permitting needs and construction considerations. The morning presentation will be followed by field tour of nearby culvert replacement projects.

9:00 am – 9:30 am Registration / sign-in

9:30 am – 12:30 pm In-house presentations: Overview and fundamentals of road/stream crossing replacement

- Background, concepts, and the bigger-picture approach – defining success
- Planning, designing and permitting a successful project
- Construction a successful project

12:30 pm – 1:45 pm Field tour of recently-completed culvert replacement projects

1:45 pm – 2:00 pm Closing comments and adjourn

Attendees are asked to follow the following measures to minimize the spread of COVID-19. More information can be found at <https://www.pa.gov/guides/responding-to-covid-19/#PhasedReopening>

- Please wear a cloth face covering
- Please maintain a minimum distance of 6 ft from other persons (“social distancing”)
- Please provide your own Personal Protective Equipment (PPE)
- Please follow additional precautionary guidance posted at the workshop venue
- Attendees are strongly encouraged to walk or drive separately to any field sites visited during the workshop. Attendees should not carpool to these locations

Field sites to be visited are located on publicly-traveled roads. Attendees must wear a high-visibility safety vest or similar item at these sites. Attendees must RSVP to Lisette Lane (Venango Conservation District) at llane.vcd@outlook.com or 814-676-2832 by July 1. Public restrooms are available at the venue. Light refreshments will be provided. Attendees are strongly encouraged to bring their own lunch, as local food options are very limited.
