

# Agricultural Plastics Recycling Public Meeting

Thursday, March 31<sup>st</sup>

6:00pm

Venango County Fair Auditorium

Join us for a free public meeting to discuss potential recycling options for agricultural plastics as alternatives to hazardous burning or costly disposal to landfills.

*We need to hear the interests and needs of the **FARMERS** and **PRODUCERS** to make this program successful!*

Agricultural Plastics include (but not limited to):

- ♻ White bale wrap
- ♻ Silage bags
- ♻ Bunker and bale covers
- ♻ Row plastics
- ♻ High tunnels
- ♻ Hoop plastics
- ♻ Plastic twine
- ♻ Netting
- ♻ Seed and grain bags

If you have any questions please contact the Venango Conservation District at 814-676-2832. No RSVP is required in order to attend.

*This meeting is brought to you by the Venango Conservation District, Venango County Planning Commission, and Venango County Penn State Extension.*
