IS MY OPERATION A CAFO?

Does your operation meet or exceed any of the following thresholds?
700 mature dairy cows
1,000 veal calves
1,000 cattle[1]
2,500 swine, 55 lbs or more
10,000 swine, under 55 lbs
500 horses
10,000 sheep or lambs
55,000 turkeys
30,000 layers or broilers, wet[2]
125,000 broilers, dry[3]
82,000 layers, dry
30,000 ducks, dry
5,000 ducks, wet

→ **YES** → **CAFO**

↓ **NO**

Does your operation have a total of more than 1,000 AEUs[4] when all animal types are combined?

→ **YES** → **CAFO**

↓ **NO**

Is your operation a CAO that has more than 300 AEUs when all animal types are combined?
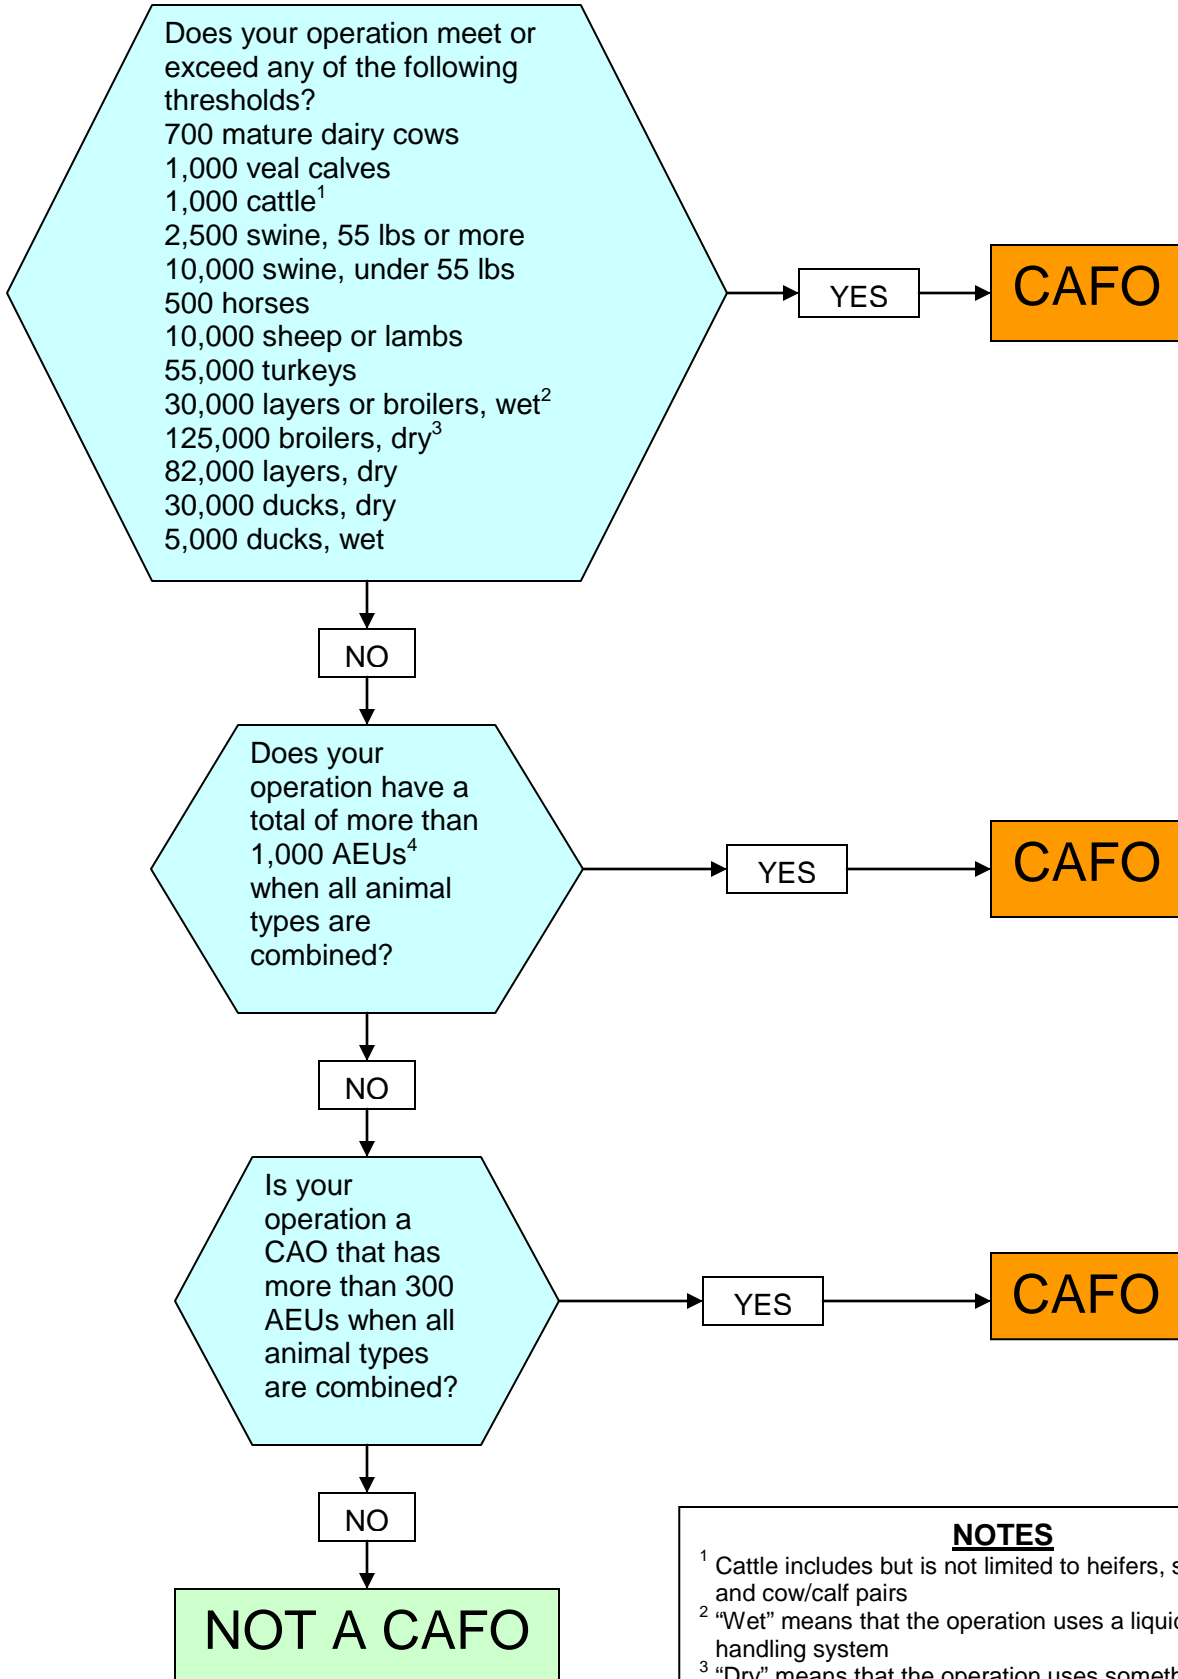

→ **YES** → **CAFO**

↓ **NO**

NOT A CAFO

NOTES

[1] Cattle includes but is not limited to heifers, steers, bulls, and cow/calf pairs

[2] "Wet" means that the operation uses a liquid manure handling system

[3] "Dry" means that the operation uses something other than a liquid manure handling system

[4] AEU is 1,000 lbs. live weight of livestock or poultry animals
